Big attack and countless snakes

USPA NEWS - The military establishment has also brought down its last players in the PTI, these are the lowly and lowly people who worship wealth and believe only in worldly life, this is the last of the army in the PTI.

There is a big attack and countless snakes in their sleeves have made Abpara their god, denying Imran Khan's ideology for a better financial future. After this adventure, only those ideological people will remain in Imran Khan's PTI who have been Imran Khan for years.

They are in jails carrying the burden of ideology, they are under the scourge of the army, they are covered up, they are living the life of exile, millions of lives are sacrificed, social media is volunteers, the people of ideology are never traitors and those who are fond of wealth are never loyal. Imran Khan It is not difficult to abolish the PTI, but impossible.

The ideology can never be abolished. The worshipers of wealth, those who forget favor from Imran Khan, those who are interested in insensitive military privileges, make a forward group, make a reverse group by doing minus plus. See, whatever they make, Imran Khan is the only PTI and PTI
is Imran Khan.

Deceiving, deceiving or betraying one's benefactor or helper is called "salty harami" or "favoramoshi" in Urdu language, characters or events in history and literature are remembered in very bad terms where one has turned his own mentor or benefactor's back. I would have been stabbed.

Four and a half years have passed, some more years will pass, but history will remember only the brave, history will remember Imran Khan and his family, history will remember the martyrs of PTI, history will remember ,

Four and a half years have passed, some more years will pass, but history will remember only the brave, history will remember Imran Khan and his family, history will remember the martyrs of PTI, history will remember
Dr. Yasmin Rashid, Ijaz Chaudhry, Mian Mehmood History will remember Al-Rasheed, Umar Sarfraz Cheema, Shah Mehmood Qureshi, Alia Hamza, dictatorship leaders and workers. History will remember Imran Khan's social media names and lost names Raza workers and throw them into the dustbin of history who played both sides of the wicket.

Will be given, it is not bad to dirty your hands for the sake of sustenance, but to dirty your intentions and conscience for the sake of provision and
to betray your benefactor is very bad.
